

## Regular and Custom Made size on Intercooler/Radiator core

AUTOBAHN88 CHINA COMPANY LIMITED is a performance car parts distributor located in Hong Kong. We specialize in *Cooling Systems* such as Intercoolers, Front Mount Intercooler piping kit, Oil cooler kits, Racing radiators, Silicone hoses and Fittings. We are also distributing essential performance parts such as BOVs, Wastegates, Turbochargers, mufflers, manifolds, Gauges and other small race parts.

Autobahn88 is offering Air to air intercooler cores feature a high effectiveness ambient and charge air fins with a low-pressure drop. Pressure drop in an air-to-air intercooler is very critical in today's high output sport compact cars. The bar and plate design offers exceptionally high pressure capabilities for today's high revving, high boosting race applications. Uniquely designed fins allow Spearco intercooler's to provide minimal ambient air pressure drop while allowing maximum cooling to your engine.
