## Pre-order is welcome

Product will be released at June

May-2008

### Complete Intercooler Piping Kit & Suction Kit For Lancer Evolution X

more

This is a newly developed Intercooler Piping Kit for Evolution 10. It replaces all stock pipes and rubber hose.

The new aluminum piping kit ensures no changes in volumn of air flow during boost up, thus enhancing the stability and performance of the car.

Moreover, the hard suction pipe kit designs for more volumn of air flow. It has 30% more air flow to the turbocharger at 3500rpm compared to stock pipe.

For more details and specifications, pls. [email us](#)
