

Newsletter – Issue 5 May 2009

This week we have launched several new products. Silicone hose kits for Nissan S13 and GTR R35. RX-8 Exhaust Manifold, BMW Crank Pulley, R33 GTS-T Front Pipe and other performance parts. You can go to our [website](#) or [email](#) us for more details.

Hood Damper

This autobahn88 compact and lightweight Hood Damper is designed to eliminate the original manual hood stand. This allows for more workspace under the hood as it eliminates any obstructions

Also makes opening and closing the hood quick and hassle-free. Especially useful on vehicles equipped with large original hoods.
